Tickets Issued in Pacific Region: Recreational or Commercial Fish (January 1 - December 31, 2018)	ery
Act/Regulation - Section/Paragraph	No. of Tickets Issued
BCSFR	728
13.(1) No person shall possess more fish of a species, other than halibut, except at	
the person's ordinary residence, than twice the daily quota for fish of that species	
prescribed by these Regulations.	10
18. No person shall (a) fish unless the person holds a licence	49
18. No person shall (b) catch and retain salmon unless the person holds a licence	
to which is permanently affixed a conservation stamp that is valid for the same	
year as the licence.	1
22. Where a licence holder catches and retains a lingcod or a salmon, the licence	
holder shall immediately record the catch in ink on the licence.	87
24. (1) No person shall fish for fish of a species set out in column I of an item of	
Schedule IV, in any Subarea, with a type of gear or by a method set out in column	
III of that item during the close time set out in column IV of that item.	21
25. (1) No person shall catch and retain in a day more fish of a species set out in	
column I of an item of Schedule IV, from any Subarea, than the daily quota set out	
in column II of that item.	35
25.(2) The quota set out in column II of item 21 of Schedule IV applies separately	4
and individually to each species of fish referred to in column I of that item.	1
26. No person shall, in a day, catch and retain more than (a) four wild trout and hatchery trout, in the aggregate, from any Subarea	4
26. No person shall, in a day, catch and retain more than (c) eight rockfish.	11
35. (1) No person shall catch and retain in a day more fish of a species set out in	- A-A-
column I of an item of Schedule V, from any Subarea, than the daily quota set out	
in column II of that item.	31
36. No person shall catch and retain in a day more than (a) 75 clams	14
36. No person shall catch and retain in a day more than (c) six Dungeness crab, red	
rock crab and king crab, in the aggregate, in all of Areas 1 to 10 and 21 to 27 or in	
any Subarea outside the surfline	1
37. (1) No person shall catch and retain (b) a Dungeness crab that measures less	
than 165 mm in a straight line through the greatest breadth of the carapace; or	45
37. (1) No person shall catch and retain (c) a red rock crab that measures less than	
115 mm in a straight line through the greatest breadth of the carapace	4
38. No person shall fish for fish of a species set out in column I of an item of	
Schedule V other than with a type of gear or by a method set out in column III of	_
that item.	2
39. No person shall fish for crab with more than two ring nets, dip nets and crab	7
traps in the aggregate.	3
41.1 No person shall set, operate or leave unattended in the water any ring net or any crab, shrimp or octopus trap unless the tag, float or buoy attached to the ring	
net or trap bears the operator's name. (SOR/2002-380)	5
43. No person shall fish for salmon of a species set out in column I of an item of	3
Schedule VI, in any Subarea, lake or stream, during the close time set out in	
column V of that item.	10
44. No person shall catch and retain in a day more salmon of a species set out in	
column I of an item of Schedule VI, of an overall length set out in column III of that	
item, in any Subarea, lake or stream, than the daily quota set out in column IV of	
tha	44
45. (1) No person shall catch and retain in a day, from any Subarea, lake or stream,	-
more than (d) four hatchery coho salmon and wild coho salmon, in the aggregate,	
that measure 35 cm or less in overall length;	3
48. No person shall catch and retain a salmon of a species set out in column I of an	
item of Schedule VI, from any Subarea, lake or stream, the overall length of which	
is less than the minimum overall length set out in column II of that item.	18
49. No person shall fish for salmon by a method or with a type of gear or bait set	
out in column I of an item of the table to this section in a Subarea, lake or stream	220
during the close time set out in column II of that item.	228

ine 1 No person shall (c) wilfully foul hook or attempt to foul hook any fish other than herring, northern anchovy, Pacific sand lance and squid. 7 No person shall catch and retain (a) an abalone that measures less than 100 mm in a straight line through the greatest breadth of the shell 1 No person shall catch and retain in a day a quantity of fish of a species set out in column I of an item of the table to this section, from all non-tidal waters, that exceeds the aggregate daily quota set out in column I of that item. 2 No person shall catch and retain in a day anore than (b) four Dungeness crab and red rock crab, in the aggregate, in all of Areas 11 to 20, 28 and 29 10 No person shall catch and retain in a day more than (b) four Dungeness crab and red rock crab, in the aggregate, in all of Areas 11 to 20, 28 and 29 10 No person shall catch and retain in a day more than 10 lingcod in the aggregate, from all waters. 8 No person shall catch and retain in a year more than 10 lingcod in the aggregate from Areas 11 to 19, 28 and 29 and subareas 20-5 to 20-7. 1 No person shall catch and retain in any Subarea a lingcod that measures less than 65 cm in overall length or that measures, with the head off, less than 53 cm in length. 9 No person shall fish for any species of fish by a method or with a type of gear or bait set out in column I of an item of the table to this section, in a lake or stream, during the close time set out in column I of that item. 27 No person shall fish for crab with a ring net or crab trap unless a tag, float or buoy that bears the operator's name is attached to the net or trap. 1 No person shall fish for shrimp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the net or trap. 1 No person shall fish for shrimp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. 2 No person shall fish for shrimp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. 3 No		
No person shall (c) wilfully foul hook or attempt to foul hook any fish other than herring, northern anchovy, Pacific sand iance and squid. 7 No person shall catch and retain (a) an abalone that measures less than 100 mm in a straight line through the greatest breadth of the shell No person shall catch and retain in a day a quantity of fish of a species set out in column i of an item of the table to this section, from all non-tidal waters, that exceeds the aggregate daily quota set out in column il of that item. 2 No person shall catch and retain in a day more than (b) four Dungeness crab and red rock crab, in the aggregate, in all of Areas 11 to 20, 28 and 29 No person shall catch and retain in a day more than four salmon, in the aggregate, from all waters. No person shall catch and retain in a year more than 10 lingcod in the aggregate from Areas 11 to 19, 28 and 29 and subareas 20-5 to 20-7. No person shall catch and retain in any subarea a lingcod that measures less than 65 cm in overall length or that measures, with the head off, less than 53 cm in length. No person shall fish for any species of fish by a method or with a type of gear or bait set out in column I of an item of the table to this section, in a lake or stream, during the close time set out in column I of that item. 27 No person shall fish for fish of a species set out in column II of an item of Schedule V, in any Subarea, with a type of gear or by a method set out in column III of that item. 20 No person shall fish for fish of a species set out in column II of an item of Schedule V, in any Subarea, with a type of gear or by a method set out in column III of that item. 20 No person shall fish for salmon other than by angling. 2 No person shall fish for salmon other than by angling. 2 No person shall fish for salmon other than by angling. 3 No person shall fish for salmon other than by angling. 3 No person shall fish for salmon other than by angling in the top or in a sidewall that has been laced, sewn or otherwise secured by a sin	6. (1) Subject to subsection (2), no person shall angle with more than one fishing	
No person shall catch and retain in a day a quantity of fish of a species set out in column I of an item of the shall all of the shall all of the shall all of the shall are shall all of the shall as the shall all of the shall are shall all of the shall are shall catch and retain in a day a quantity of fish of a species set out in column I of an item of the table to this section, from all non-tidal waters, that exceeds the aggregate daily quota set out in column II of that item. No person shall catch and retain in a day more than (b) four Dungeness crab and red rock crab, in the aggregate, in all of Areas 11 to 20, 28 and 29 No person shall catch and retain in a day more than four salmon, in the aggregate, from all waters. No person shall catch and retain in a year more than 100 lingcod in the aggregate, from Areas 11 to 19, 28 and 29 and Subareas 20-5 to 20-7. No person shall catch and retain in any Subarea a lingcod that measures less than 65 cm in overall length or that measures, with the head off, less than 53 cm in length. No person shall fish for any species of fish by a method or with a type of gear or bait set out in column I of an item of the table to this section, in a lake or stream, during the close time set out in column II of that item. 27 No person shall fish for crab with a ring net or crab trap unless a tag, float or buoy that bears the operator's name is attached to the net or trap. No person shall fish for shirmp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the net or trap. No person shall fish for shirmp with a shirmp trap unless a tag, float or buoy that bears the operator's name is attached to the net or trap. No person shall fish for shirmp with a shirmp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. No person shall fish for shirmp with a shirmp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. No person shall fish for shirmp with a shirmp trap unless		1
No person shall catch and retain (a) an abalone that measures less than 100 mm in a straight line through the greatest breadth of the shell 1 No person shall catch and retain in a day a quantity of fish of a species set out in column I of an item of the table to this section, from all non-tidal waters, that exceeds the aggregate daily quota set out in column II of that item. 2 No person shall catch and retain in a day more than (b) four Dungeness crab and red rock crab, in the aggregate, in all of Areas 11 to 20, 28 and 29 No person shall catch and retain in a day more than four salmon, in the aggregate, from all waters. 3 No person shall catch and retain in a year more than 10 lingcod in the aggregate from Areas 11 to 19, 28 and 29 and Subareas 20-5 to 20-7. 1 No person shall catch and retain in any subarea a lingcod that measures less than 65 cm in overall length or that measures, with the head off, less than 53 cm in length. 9 No person shall fish for any species of fish by a method or with a type of gear or bait set out in column I of an item of the table to this section, in a lake or stream, during the close time set out in column II of that item. 27 No person shall fish for crab with a ring net or crab trap unless a tag, float or buoy that bears the operator's name is attached to the net or trap. 1 No person shall fish for fish of a species set out in column I of an item of Schedule V, in any Subarea, with a type of gear or by a method set out in column III of that item during the close time set out in column IV of that item. 20 No person shall fish for shrimp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. 3 No person shall fish for shrimp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. 3 No person shall fish for shrimp with a shrimp trap unless a tag, float or buoy that bears the operator's name is attached to the trap. 3 No person shall fish for shrimp with more than four traps. 3		
a straight line through the greatest breadth of the shell No person shall catch and retain in a day a quantity of fish of a species set out in column I of an item of the table to this section, from all non-tidal waters, that exceeds the aggregate daily quota set out in column II of that item. 2 No person shall catch and retain in a day more than (b) four Dungeness crab and red rock crab, in the aggregate, in all of Areas 11 to 20, 28 and 29 No person shall catch and retain in a day more than four salmon, in the aggregate, from all waters.
